EXPERIENCE

The Evidence-based Prevention and Intervention Support Center, State College, PA - *Prevention Coordinator*

September, 2015 - PRESENT

- Provide technical support/assistance for PCCD-funded, evidence-based prevention programs across Pennsylvania.
- Supporting sites include in-person, web-based, or phone consultation from either a proactive or requested framework.
- Collect and interpret quarterly and final outcomes data, while providing ongoing support around data collection.
- Assist with issues around fidelity to the evidence-based program model.
- Coordinate and lead networking meetings, learning communities, and trainings across the state.
- Develop resources for my supported programs to aid in the scale-up of evidence-based programming across the state.
- Work closely with the developers/consultants of the evidence-based programs to aid in dissemination and scale-up of programs.

Centre County Probation and Parole Department, Bellefonte, PA - *Juvenile Probation Officer*

January, 1997 - August, 2015

- Supervised juveniles court-ordered on low, moderate, or high levels of supervision in both school and community settings.
- Worked congruently with school administration, teachers, parents, and community service/therapeutic providers to aid the juvenile in successfully completing their court-ordered conditions and to abate recidivism.
- Worked closely with School Resource Officers in both the community and school settings. Provided career expertise via presentations in both the classroom and community settings.
- Facilitated and monitored the Youth Level of Service Inventories (YLS) for all cases coming through the probation department. Provided department training to staff on the YLS.
- Maintained records on all juveniles via court reports and internal case documentation. Maintained compliance with the Department of Human Services, MH/ID/D&A requirements, and managed care providers.
- Administered drug screens, DNA tests, transported clients to both secure and non-secure placement facilities, and handled on-call crises after business hours.

WorkWell, Inc., Carnegie, PA - Case Manager

August, 1996 - January, 1997

- Sole case manager of several outpatient medical clinics specializing in worker's compensation injuries.
- Facilitated patient appointments, coordinated physician information and referrals, provided scheduling, recording of diagnoses and treatment plans.
- Generated monthly statistics/data for tracking, administered drug screens, ordered medications, researched medical histories, and worked closely with insurance companies.
